Dear RMIT (SGS) – Employment Team,

I am writing to express my interest in the Student Support Officer (Concierge) position at RMIT Connect, as posted on RMIT Careers Portal. I am Currently enrolled in the Bachelor of Information Technology program at RMIT University Vietnam, and I am excited about the opportunity to contribute to the excellent student services and support that your team provides.

My strong commitment to delivering outstanding student services is evident through my volunteer experience at X-RUN 2023, where I worked as part of the Student Life Red Team. This role required effective communication and teamwork skills to ensure a safe and rewarding experience for participants. Furthermore, my past experience abroad volunteering for Teachers Appreciation Day 2016 also showcases my dedication to communicate and work with individuals of diverse cultural backgrounds.

In my academic and professional pursuits, I have led teams in various projects, such as developing a browser game, leading a research team in the creation of a flower classification and recommendation system, working with a client to build an online portfolio, and working in an open-source software project. These experiences have honed my teamwork, leadership, and communication skills, which I believe align with the requirements of this position.

I believe that the experience I would gain from this position resonates with my career aspirations. I am eager to leverage this opportunities to further develop my customer service skills and essential social skills desired by future employers, especially when working with clients and stakeholders in my field of study.

I am confident that my academic background, volunteer experience, teamwork, and leadership skills make me a strong candidate for this position. I am excited about the prospect of contributing to the vibrant and diverse community at RMIT University and am enthusiastic about the chance to learn and grow in a high-volume, customer-focused environment.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your team.

Sincerely,
Tuong-Minh (Mike) Vo
